ISC ACCOMMODATION

People who attend all demos in Rome are offered ISC accommodation, depending on availability [FULLY BOOKED NOW].

For those booking ISC accommodation, there will be shared accommodation made available. More information about the ISC accommodation will be send to you by email after booking for any of the ISC accommodation.

The ISC apologises for not being able to book any single or twin rooms, or make special accommodation arrangements for demonstrators. If you wish to stay in a single room or share a room with certain sangha friends, please arrange for your own accommodation.

ISC MEALS

During the demonstrations you will be provided with a light vegetarian meal. When you stay at any of the ISC accommodation, breakfast is included.

The ISC is not able to provide for any special dietary request.

Should you have a special diet, please prepare to make your own meal arrangements. We apologize for any inconvenience this may cause.

ADVICE FOR FAMILIES WITH CHILDREN < 16 YEARS OLD

If you are part of a family with children under the age of 16 you are welcome to join and bring your children to the ISC demos, provided you arrange your own accommodation and transport.

For legal reasons ISC is not able to provide accommodation and transport for families with children younger than 16 years of age.

ISC accommodation and transport will be shared, and the ISC is not able to provide any special conditions for families and children.

Therefore parents with children under 16 years old are requested to provide own accommodation and transport for the family.

During the demonstrations parents remain fully liable for the well-being and safety of under-aged children. When booking for children under 16 years, please contact ISC Registration at euoreg@internationalshugdencommunity.com.

ISC DONATIONS

To make attending the ISC demonstrations possible for as many people as possible, we kindly request you to contribute towards the costs of the ISC demonstrations by making a donation when you book. When booking you will be shown a suggested donation amount per demo day. This suggested donation covers the actual costs of your booking. However, any donation you would be able to provide is most welcome.

CANCELLATIONS ON OR AFTER 29 NOVEMBER

If after booking for the demos in Rome your conditions change and you are unable to attend the demos, please cancel your booking. You can do so by sending an email to the ISC registration team. Because the ISC is taking on the commitment to make certain costs on your behalf after your booking, it is most appreciated when you inform ISC as soon as possible about your cancellation. The cancellation in due time may in some cases even allow another person to take up the cancelled place and attend the demos.

When the demo dates in Rome are getting closer, ISC is required to incur an increasing amount of commitments and costs.

Therefore ISC requires anyone who books for ISC transport and/or ISC accommodation and cancels after 29 November to pay the minimum fee of GBP 35.00 per day to cover costs incurred by ISC.

Thank you for your understanding.

Should you have any queries or comments, please contact a member of the registration team at euroreg@internationalshugdencommunity.com.

Thank you very much for your support of the ISC demonstrations.
