## **ISC MEALS**

During the demonstration you will be provided with a light vegetarian meal. When you stay at any of the ISC accommodations breakfast is included.

## **ADVICE FOR FAMILIES WITH CHILDREN < 16 YEARS OLD**

If you are part of a family with children under the age of 16, you are welcome to join and bring your children to the ISC demonstration provided you arrange your own accommodation and transport.

For legal reasons the ISC is not able to provide accommodation and transport for families with children younger than 16 years of age. ISC accommodation and transport will be shared, and the ISC is not able to provide any special conditions for families and children. Therefore parents with children under 16 years old are requested to provide their own accommodation and transport for the family.

During the demonstration parents remain fully liable for the well-being and safety of under-aged children. When booking for children under 16 years old please contact ISC Registration at [euroreg@internationalshugdencommunity.com](mailto:euroreg@internationalshugdencommunity.com).

## ISC DONATIONS

To make attending the ISC demonstration possible for as many people as possible we kindly request you to contribute towards the costs of the ISC demonstration by making a donation when you book. When booking you will be shown a suggested donation amount per demonstration day. This suggested donation, £15 (USD 23) per demonstrator per day, covers the actual costs of your booking. However, any donation you would be able to provide is most welcome.

## CANCELLATIONS ON OR AFTER 8 SEPTEMBER 2015

If, after booking for the Cambridge and London demonstrations, your conditions change and you are unable to attend the demonstration, please cancel your booking. You can do so by sending an email to the ISC registration team.

Because the ISC incurs certain committed costs on your behalf after your booking, it is most appreciated that you inform the ISC as soon as possible about your cancellation. Your early cancellation may allow another person to take up the cancelled place and attend the demonstration.

When the demonstration date is getting closer the ISC is required to incur an increasing amount of commitments and costs. Therefore the ISC requires anyone who books for ISC transport and/or ISC accommodation and cancels after 8 September 2015 to pay the minimum fee of GBP 15.00 per day to cover costs incurred by the ISC. Thank you for your understanding.

Should you have any queries or comments, please contact a member of the registration team at [euroreg@internationalshugdencommunity.com](mailto:euroreg@internationalshugdencommunity.com).

Thank you very much for your support of the ISC demonstration.
